FORENSIC ACCOUNTING

Ivera Group has a dedicated staff of CPAs, and accountants providing forensic accounting services to our clients. Our expert team's backgrounds consist of experience with publicly traded companies, national and regional public accounting firms, private companies and insurance companies.

Ivera Group has extensive experience working with insurance companies, law firms and other third parties related

to business interruption and extra expense claims, employee dishonesty, fraud, business personal property valuations, inventory losses, cyber, lost earnings capacity, product liability, litigation advisory services, among other areas of specialization.

Our approach on every assignment is simple. We understand that each case has its own set of facts and circumstances, and we take the time to gather, analyze and interpret all the data, corroborate our findings, and write a clear and understandable report.

OVER THE YEARS, WE HAVE HANDLED NUMEROUS ENGAGEMENTS COVERING A MULTITUDE OF INDUSTRIES, ON A NATIONAL AND INTERNATIONAL BASIS.

FORENSIC ENGINEERING

Ivera Group offers experienced, expert forensic analyses for a wide range of cases.

We assist customers in the utility, legal and insurance industries to find a cause of complex accidents and failures.

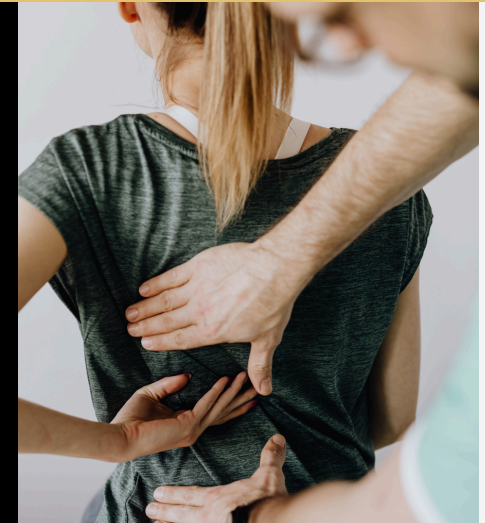

Ivera Group has a staff of highly trained, highly qualified experts with extensive courtroom experience.

For every case Ivera Group gives you: evidence collection and secured storage, proper chain of custody procedures, courtroom experienced experts, and litigation support.

MEDICAL LEGAL SERVICES

We specialize in scheduling local and nationwide Independent Medical Examinations (IMEs) with highly qualified, board certified physicians and medical specialists offering an objective medical opinion to determine the current medical status of an individual.

Reports offer a detailed history documenting treatment, pre-existing conditions, residuals, relationship of the diagnosis to the incident in question, as well as any other specific concerns requested.

FOR THOSE CLIENTS THAT PREFER TO SCHEDULE THEIR OWN IME WE OFFER AN ON-SITE FACILITY IN CENTER CITY, PHILADELPHIA PROVIDING A VARIETY OF SPECIALISTS AT THIS LOCATION.
